

RHENUS LOGISTICS B.V.: A ROTTERDAM BASED HEAVYLIFT STEVEDORE

Although part of the international Rhenus Logistics group of companies, Rhenus Logistics B.V. in Rotterdam is an **independent** breakbulk & heavy lift port terminal operator (stevedore).

We work for general & project cargo forwarders, breakbulk & heavy lift shipping companies, steel & metal traders, OEM producers & manufacturers, EPC(I) contractors and on- and offshore oil & gas and renewable energy companies.

Our two deep sea terminals with heavy cranes function as a cargo hub for the handling and storage of steel, aluminium, metals, containers, forest products, (offshore) equipment and heavy lift & project cargoes.

Annual throughput:

- 500.000 MT of steel
- 500.000 MT of aluminium
- 150.000 MT other breakbulk cargoes
- >30.000 containers
